I**STATEMENT OF THE CASE**

On June 18, 2008, a federal grand jury in the Southern District of California returned a one-count Indictment charging Defendant with attempted re-entry, in violation of Title 8, United States Code, Section 1326(a) and (b). Defendant was arraigned on the Indictment on June 20, 2008, and entered a not guilty plea.

II**STATEMENT OF FACTS****A. INSTANT OFFENSE**

On May 6, 2008, United States Border Patrol Agent Tito Barrientos was performing line watch duties in the El Centro Border Patrol Station area of responsibility. At approximately 6:20 a.m., a remote video surveillance system ("RVSS") operator informed Agent Barrientos that an individual climbed over the international boundary fence in an area known as "Diamond's Truck Lot," which is located approximately .3 miles west of the Calexico, California, West Port of Entry. Agent Barrientos responded to the area and encountered an individual, later identified as Defendant, Carlos Cruz-Sanchez, next to the boundary fence.

Agent Barrientos approached Defendant and identified himself as a United States Border Patrol Agent. As Agent Barrientos approached Defendant, he began climbing the fence, back toward Mexico. Agent Barrientos informed Defendant that Mexicali, Mexico police officers were on the other side. Defendant saw the Mexican police officers and climbed back down the fence. Defendant then told Agent Barrientos that he was not doing anything wrong. Agent Barrientos then asked Defendant his country of citizenship and whether he had documents to enter the United States. Defendant responded that he was a citizen of Mexico without documents to enter the United States. Agent Barrientos placed Defendant under arrest and transported him to the El Centro Border Patrol Station for processing.

At the station, Agent Barrientos conducted a Department of Homeland Security records check. The records check revealed that Defendant had a lengthy criminal and immigration record. Agents advised Barrientos of his Miranda rights and Defendant invoked.

1 introduce as evidence-in-chief at the trial or which were prepared by a witness whom defendant intends
2 to call as a witness. The United States also requests that the court make such orders as it deems
3 necessary under Rule 16(d)(1) and (2) to insure that the United States receives the discovery to which
4 it is entitled.

5 Federal Rule of Criminal Procedure 26.2 requires the production of prior statements of all
6 witnesses, except the defendant. The time frame established by the rule requires the statement to be
7 provided after the witness has testified, as in the Jencks Act. Therefore, the United States hereby
8 requests that defendant be ordered to supply all prior statements of defense witnesses by a reasonable
9 date before trial to be set by the court. This order should include any form these statements are
10 memorialized in, including but not limited to, tape recordings, handwritten or typed notes and/or reports.

11 **B. THE UNITED STATES'S MOTION FOR FINGERPRINT EXEMPLARS**
12 **SHOULD BE GRANTED**

13 Part of the United States' burden of proof in this case is to satisfy the jury that the Defendant is
14 the same individual who was deported from the United States to Mexico. To make that showing, the
15 United States will call an expert in fingerprint identification to testify that the Defendant is in fact the
16 individual whose fingerprints appear on the warrant of deportation. The most efficient and conclusive
17 manner of establishing this information is to permit the expert witness himself to take a set of
18 Defendant's fingerprints for comparison.

19 Defendant's fingerprints are not testimonial evidence. See Schmerber v. California, 384 U.S.
20 757 (1966). Using identifying physical characteristics, such as fingerprints, does not violate Defendant's
21 Fifth Amendment right against self-incrimination. See United States v. DePalma, 414 F.2d 394, 397
22 (9th Cir. 1969); Woods v. United States, 397 F.2d 156 (9th Cir. 1968). The United States therefore
23 respectfully requests that the Court order that Defendant make himself available for fingerprinting by
24 the United States' fingerprint expert.

CONCLUSION

For the foregoing reason, the Government respectfully requests that its motions for reciprocal discovery and fingerprint exemplars be granted.
